

CERTIFICATE OF WATER AVAILABILITY APPLICATION

Please provide the following information listed below. A parcel number or an application number is needed. You will need to provide the square footage for commercial projects and/or for residential homes with a garage (if attached). It is essential that you provide a (2) digit construction code, especially for commercial properties. If you are unsure of the construction code type, contact the City of Lakewood, and they will provide this information to you. Completion time for a Certificate of Water Availability can approximately take 7 to 14 days. If additional time is required you will be advised of the time frame needed by our office. When the Certificate of Water Availability letter is completed you will be contacted by Lakewood Water District.

Application Fee is: \$130.00 (Must be paid prior to processing)
