Utility Billing New - Change Automatic Payment

By clicking the "Submit" button below, you are authorizing Lakewood Water District (LWD) to withdraw your bimonthly water bill from your checking/savings account on the due date shown on the current billing. You will continue to receive a utility bill which will reflect the amount due and the due date when your account will be debited, but it will include the statement, "AUTOPAY-DO NOT PAY." **If your payment is dishonored or returned, the amount of the payment plus the return item fee of \$35.00 and any applicable late charges will be added to your account. If your account receives (2) returned item fees within a 12-month period your account will be designated as "Cash Only" for an additional 12-month period and will be removed from the ACH program.**

The ACH debit will remain in effect until one of the following occurs:

- a) You cancel your direct debt authorization by notifying LWD in writing either through signed correspondence or a signed cancellation form;
- b) A request for a final bill is received by our office. After final bill is drafted, ACH will be inactive, as account is closed;
- c) LWD receives notice from the bank of insufficient funds. After the first return, you will be required to request to continue on the ACH program; if we do not hear from you we make the ACH option inactive until we do; or
- d) LWD receives notice from the bank of customer account changes such as an account closed.

PLEASE REVIEW ACH OR AUTOMATIC PAYMENT POLICY BEFORE SIGNING UP.
